

Start saving on your specialty medication today

Specialty medications can be expensive. Many drug manufacturers have copay assistance programs and coupons to help lower the cost of your medication. This can help you save on out-of-pocket costs.*

To learn more about copay card programs and to see if you are eligible:

Visit the drug manufacturer website

Ask your doctor

Call the number on your member ID card

Taking a specialty medication can be overwhelming. We're here to help. If you have questions, please call **1-877-838-2907**.

*When you use a drug manufacturer copay card, some prescription drugs will be subject to a new member cost share. This new member cost share will not impact you or the price you pay. You will still benefit from using the drug manufacturer copay cards to reduce your cost share even though drug coupon dollars will not count towards your deductible and out-of-pocket limits.
